THE C. W. B. M. SOCIETY.

Held its Regular Monthly Meeting With Mrs. Suddeth.

The C. W. B. M. of the Christian church met yesterday afternoon with Mrs. Suddeth on Duval street. Mesdames Ellard, Elliott, East and Ellard assisted the hostess in receiving. In the absence of the president, Mrs. W. T. Hilton, who was kept away on account of illness, Mrs. Ed Jones, the vice president, presided. The meeting was opened by the auxiliary repeating in concert the motto for the afternoon, "Not only teach the children but govern them; and in order to govern them, govern yourself." It was a mothers' meeting. Mrs. Priest gave the scripture reading and Mrs. Jones offered a prayer. After a song Mother's Responsibility was discussed. Mrs. E. A. Jones gave a most excellent paper on Home Training. Mrs. W. H. Hush discussed cooperation with teachers in an earnest and interesting manner. Mrs. Smith being absent on account of illness Mrs. V. A. King spoke in her place on the mother as a spiritual teacher. The papers were followed by an animated discussion. The attendance was large and the meeting much enjoyed. During the social session the hostess served refreshments. A number of visitors were present.

DAUGHTERS OF CONFEDERACY.

Large Attendance at Meeting With Mrs. Flaig.

The Daughters of the Confederacy met with Mrs. T. P. Flaig on Tuesday afternoon. The largest number that has attended a meeting answered to roll call with the description of the seals of the Confederate states. Each state was represented and some had to be separated in order that all could answer roll call.

During business session arrangements were perfected for the reception to be given by the Daughters on March 17th at Mrs. Ida Curry's residence. Mrs. Garner was elected an associate member from the Atlanta, Ga., Chapter. The members are delighted to have Mrs. Garner—she is an enthusiastic member. Mrs. T. J. Miller conducted an interesting table talk on the Cross of Honor. This was a very enthusiastic meeting, each member being anxious to do her part. During the social session the hostess served refreshments and hot chocolate. The chapter will meet March 10th with Mrs. T. J. Geo.

THE BACHELOR GIRLS.

Were Pleasantly Entertained by Miss Ray Poole Yesterday.

Yesterday afternoon Miss Ray Poole was hostess to the Bachelor Girls club at her pleasant home on West Lee street.

Pretty booklets with hand painted covers, the artistic work of Miss Leanne Terhune were passed. The booklets contained on the inner pages diversions of various kinds. To decide the winner each guest was blindfolded and given a pair of scissors and a piece of paper and told to cut out a pig. The various products of the shears and paper were very comical. A vote was had on the best pig and Miss Elizabeth Adams was voted the winner with Mrs. Leanne Terhune.

A delicious salad course was served and ended a most enjoyable afternoon.

LEAVING FOR CAMPBELL.

A. M. Worsham and Family Will Make Their Home in That Town.

A. M. Worsham and family will leave today for Campbell where they will make their home. Mr. Worsham has lived in Greenville most of his life and has been one of the best known shoe men here.

Yesterday afternoon the ladies of the Kavanagh Missionary societies assembled at the home of Mrs. J. M. Boykin and all proceeded to the Worsham home where they surprised Mrs. Worsham and gave her a shower of china, linen and other things, and presented Miss Jennie Worsham with a handsome gold pin. Mrs. Worsham and Miss Jennie were much affected by the good bye of the ladies. Mrs. Worsham has been a great worker in Kavanagh church, and Sunday school. The family will be greatly missed by their neighbors and friends, and carry with them the good wishes of all their new home.

A NOBLE RECORD

Of many hundreds of thousands of cures forms a well sustained basis for every claim put forth by the makers of **DR. PIERCE'S GOLDEN MEDICAL DISCOVERY** as a remedy for many of the troublesome affections which afflict mankind; yet it is not extolled as a "cure-all" by any means. No extravagant promises are flaunted before the public to arouse false hopes in the afflicted. Your neighbors probably know of some of its many cures; ask them.

Through strengthening and arousing the stomach, liver and bowels into vigorous action, digestion is promoted, whereby the blood is enriched and purified, disease-producing bacteria destroyed and expelled from the body, and thus a long list of skin, scrofulous and kindred affections are overcome and sound, vigorous health established.

The "Discovery" contains no alcohol and no habit-forming drugs, and has its every ingredient printed on its wrappers. This **OPEN PUBLICITY** places it in a class distinct from the ordinary secret nostrums with which it has no relationship. Physicians, therefore, do not hesitate to prescribe it in bad cases of indigestion, torpid liver or biliousness and in skin and blood affections. People of intelligence and keen discernment employ it. The "Discovery" is a pure glyceric extract of native medicinal roots of great curative potency, and can in no case do harm to either child or adult. The aged find it a great invigorator.

You can learn more about this time proven and popular "Discovery" from the People's Common Sense Medical Adviser, by Dr. R. V. Pierce, a newly revised, up-to-date edition of which is now offered, in cloth covers, post-paid, for 31 cents in one-cent stamps, to cover cost of mailing only; or in paper covers 21 cents. All of the characters in the play are good and many of them new to the stage. An excellent cast has been engaged, beautiful scenery and effects are carried and taken as a whole, it is an excellent presentation, entirely out of the ordinary, its sentiment and tone of the highest.

Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of disease or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and its allied organs of digestion and nutrition, are cured also.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.
